

**Amendments to the Claims:**

Please amend claims 1 and 26 as shown in the claim listing below. Claims 7-25 and 31-48 have been cancelled. All pending and withdrawn claims are listed below. This listing of claims will replace all prior versions, and listings, of claims in the application.

**Listing of Claims:**

1. (Currently amended) A gaming machine comprising:  
a mechanical component, said mechanical component having a dynamic member operable to conceal a display device, said display device integrated with said mechanical component; and  
wherein upon activation of the mechanical component said dynamic member moves to reveal ~~causes~~ the display device ~~to be revealed~~, said display device operable to display a randomly generated gaming machine symbol related to a gaming machine award.
2. (Previously Presented) The machine of claim 1 wherein said mechanical component comprises one or more arms extending from said gaming machine.
3. (Previously Presented) The machine of claim 2 wherein said dynamic member comprises one or more hands joined to said arms.
4. (Original) The machine of claim 3 wherein a player is afforded the opportunity to select one or more of the hands to reveal the symbol related to a gaming machine award.
5. (Previously Presented) The machine of claim 4 wherein upon selection of one or more of the arms, the corresponding hand opens to reveal the display device.
6. (Previously Presented) The machine of claim 2 wherein the one or more arms support a watch having a display.
- 7-25 Cancelled
26. (Currently amended) A method of playing a gaming machine comprising:

activating a mechanical component, having a dynamic member, in response to a pre-established gaming machine outcome; and

in response to said activation, causing said dynamic member to move to reveal a display device substantially concealed therein, wherein said display device displays a randomly generated gaming machine symbol related to a gaming machine award, said display device integrated with said mechanical component.

27. (Previously Presented) The method of claim 26 wherein said mechanical component comprises one or more arms extending from said gaming machine.

28. (Previously Presented) The method of claim 27 wherein said dynamic member comprises one or more hands each joined to the arms.

29. (Previously Presented) The method of claim 28 wherein a player is afforded the opportunity to select one or more of the hands to reveal the symbol related to a gaming machine award.

30. (Original) The method of claim 29 wherein upon selection of one or more of the hands, the corresponding hand opens to reveal the display device.

31-48 Cancelled
